

**Covid-19 and how our business model works**

First, we hope this email finds you well during this unprecedented time.

We are committed to complying with all the necessary Health and Government advice warning to protect our staff, contractors and clients.

**The Outlook Group**

The Outlook Group and its subsidiaries;

- Australian Policy Traders,
- Aussie TEP Management Pty Ltd and,
- The Outlook Group Pty Ltd,

wish to confirm our current working policy and position on Covid-19.

Our Business Model has been driven on a “remote satellite” basis for a number of years.

We have few employees, scalable technology and source all our external skills from contractors.

We place an emphasis on sourcing skills and resources for our business model with contractors rather than employees.

Some contractors have been with us for almost 20 years!

So, at these difficult times, we have lost no productivity in our business models and we continue to bring our service standards to the marketplace without interruption.

TEPs as a conservative asset class, offer extraordinary levels of security and return during bad times as well as good.

I commend you to consider investing in this asset class via the

Stay well,
